Nursery Fee Increase from September 2017

Dear Parents/Carers,

I am writing to inform you that the Governors at Grace Owen Nursery School have approved a price increase for childcare charges that will take effect from the 1st September 2017.

This will apply to childcare charges for children in the Under Threes Room and the Transition Room. The new charge will be £5.00/hour to bring it in line with current government funding for two year old FEL places.

This increase is to help ensure the sustainability and ongoing quality of the nursery school in the light of increasing running costs.

If you have any queries or concerns regarding this price increase, please do not hesitate to get in touch or come and talk to me.

The charge for children in the Classroom will remain unchanged at £4.50/hour.

Thank you for your ongoing support.

N. Farrow
